

Prerna Kumari

Kprerna031@outlook.com | +91 9958753394 | LinkedIn | Code360 | LeetCode

Profile

Strong in object-oriented design, data structures, algorithms, and microservices, delivering concurrent, fault-tolerant solutions in Agile environments with experience across diverse tech stacks and distributed systems

Experience

S&P Global, Gurugram, IN

Dec 2023 to Present

SDE (Dec 2023 – Sep 2025 → SDE II (Oct 2025 – Present))

- Led migration of enterprise SQL workloads to GCP, developing Python-based data loaders and implementing logging/monitoring with OpenSearch and Prometheus
- Migrated 100+ repos and CI/CD pipelines from Azure DevOps to GitHub, standardizing workflows and optimizing deployments.
- Modernized CIQPro pipelines by migrating NTLM to OAuth, integrating AWS Secrets Manager, containerizing Windows services, and upgrading .NET Framework 4.6.2 to .NET 9—reducing production incidents by 99
- Engineered a high-performance, distributed microservice for Credit Default Swap (CDS) data processing, combining scheduled batch extraction from SQL Server with real-time event streaming via Apache Kafka for search indexing and analytics.
- Collaborated with product managers, QA, and business users to define technical solutions and deliver features using Agile/Scrum methodologies.
- Applied software engineering best practices including code reviews, unit testing, regression testing, and level-two production support to ensure system stability.

Signant Health (DSG Inc), Noida, IN

Sep 2022 – Nov 2023

Software Engineer I

- Provided production support and optimized SQL queries to improve performance.
- Participated actively in Agile environment, contributing to scalable Agile practices.

Defence Research & Development Organisation (DRDO), Delhi, IN

Jan 2022 – Jun 2022

Trainee

- Improved Junior Research Fellowship form using PHP and CMS with a user-friendly interface.

Education

Dr. A.P.J. Abdul Kalam Technical University

B.Tech, Computer Science and Engineering, 2023 | 82%

Central Board of Secondary Education – XII

2019 | 73.4%

Central Board of Secondary Education – X

2017 | CGPA 9.1

Skills

Programming & Frameworks: .NET Core/.NET Framework, C#, Angular, MySQL, Data Structures & Algorithms, OOP, REST API, JSON, Java, Python, Microservices, ETL, NoSQL (Cassandra)

Cloud & DevOps: Apache Kafka, AWS (Secrets Manager), Azure (Application Insights), Docker, CI/CD Pipelines, ELK Stack, Git, Performance Monitoring, Error Handling
